Smetumet: From garbage to glamour

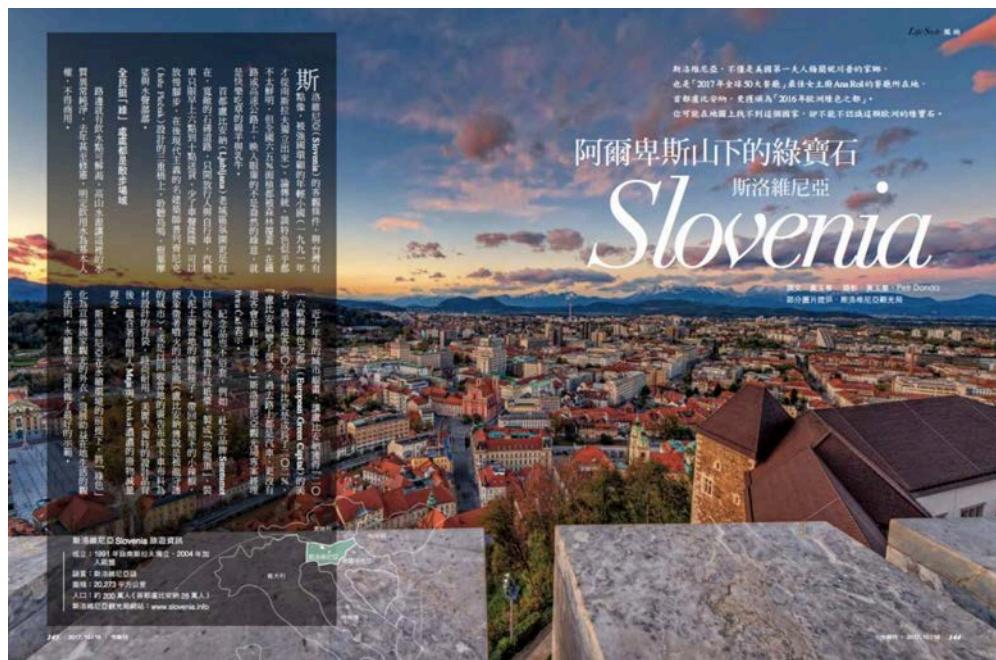

<https://the-inkline.com/2017/05/13/smetumet-from-garbage-to-glamour/>

A screenshot of a web browser showing an article from the-inkline.com. The header features the INKLINE logo and a navigation menu with links to HOME, ABOUT, GOOD NEWS, GO-GETTERS, THE SPARK, CHASE THAT PASSION, and CONTACT. The main content area has a black and white photograph of a person wearing a leather jacket and carrying a large, shiny, metallic bag. A red button labeled 'CHASE THAT PASSION' is overlaid on the bottom left of the photo. To the right of the photo, the text reads: 'The Ljubljana-based organisation is simultaneously doing workshops on sustainability whilst also creating eco-friendly products.' Below this is a smaller photo of a person walking with a blue and green bag. At the bottom of the page, there is a caption: 'The bags made of used tarpaulin and seat belts are the brand's main products. © Smetumet'.

The screenshot shows a web browser window for the ljubljana.si website. The header includes the logo of the City of Ljubljana and a search bar. The main navigation menu on the left lists links such as 'Aktualno', 'O Ljubljani', 'Moja Ljubljana', 'Mestna občina', 'Razpis', 'razgrnitve in javne objave', 'MESTnice, naše zgodbe', 'Ali ste vedeli?', 'Mediji', 'Kontakt', 'E-novice', and 'Pravno obvestilo'. Language options 'slo eng' and social media icons are also present.

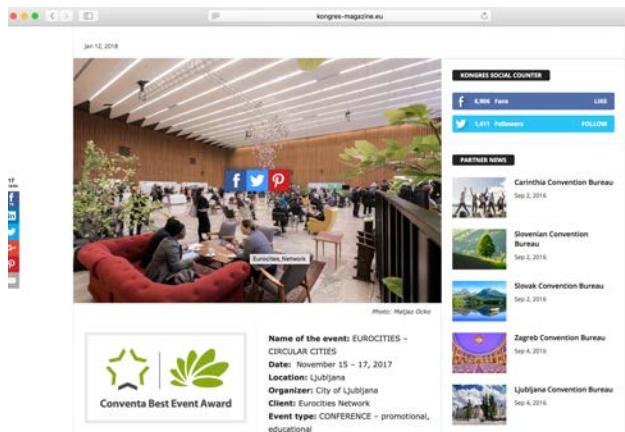

The main content area features a large image of a colorful wooden chair with a yellow tag hanging from its backrest. The tag has handwritten text that appears to read 'Give it another chance'. Below the image, the title 'Projekt CHAIRity - dajte mu še eno priložnost' is displayed. The text below describes the project as innovative and based on a conference in Ljubljana. It mentions the renovation of old tables and chairs by students of OŠ Oskarja Kovačiča and Toneta Čufarja, and the involvement of the Smetumet cultural and environmental association. The text concludes with information about the renovation of old tables and chairs at the conference EUROCITIES.

At the bottom of the page, there is copyright information for 2018, a note about production by Innovatif, and logos for the City of Ljubljana, the Ljubljana Environment Agency, and the Ljubljana Development Agency. There is also a small note about WCAG 2.0 compliance.
